

FACTS ABOUT ST. HELEN SCHOOL

- Since its opening in 1954, St. Helen School has strived to promote the spiritual and intellectual development of every student.
- Students are educated in the Catholic faith, are prepared for the sacraments, and attend weekly Mass.
- There are typically two classes for each grade K-8; Kindergarten is all day.
- The average student-teacher ratio is 23:1.
- Transportation is provided by Beaver Creek, Mad River Local, Fairborn, Huber Heights, and Dayton school buses; we also serve all areas of Wright-Patterson Air Force Base.
- In addition to the K-8 teachers, St. Helen employs teachers for art, music, physical education, computer lab, and the library/media center.
- Support services include on-site tutors, enrichment instructor, guidance counselor, speech therapist, and a nurse.
- Facilities include the classrooms, gymnasium/cafeteria, art room, music room, science lab, computer lab, library, and spacious property for outdoor activities.
- Students participate in many extra-curricular activities including scouts, sports, choir/band, science fair, student council, community service, and more.
- Enrichment activities include visiting authors, speakers, performing artists, and educational field trips.
- Special programs include Choral Adjudications, Science Fair, Geography Bee, and Everybody Counts.
